NUMBER 36.

Wreck on Interurban.

There was two cars on the Interurban considerably smashed up in a collision at the power station, about six miles from town, yesterday, at 12:30 o'clock. A passenger coach had been left on a switch at this point to be used later in the day for patrons who had come to Paris for the circus, and after running the car in on the track the switch was left open by someone. The freight car came along on its usual time and collided with the coach, the ends of both cars being demolished. The motorman of the freight car, Carroll Staton, received a severe cut over one of his eyes and otherwise bruised up. No one was on the passenger coach, the crew having gone into Lexington on passing car. The accident did not keep the cars from running on time afterwards.

Auspicious Beginning.

The restoration of racing at the famous Association track, at Lexington, Wednesday, was a superb success. Over 8,000 people were present to witness the sport. There was a large crowd in attendance from Paris, and in fact from every surrounding county. Bourbon county was well represented in the races, having two from Clay Bros.' stable, Memories and Angler, to run second, the latter running second in the Phoenix Hotel Stake to Agile.

The only cloud over the vast crowd was the absence of Capt. S. S. Brown, the man whose efforts has restored racing at the famous old track, he being quite ill at his home at Pittsburg.

A large crowd was in attendance yesterday. The track was fast and the sport was good. Curly Jim won the first race at 6 to 1, and Rein Dance the second at 12 to 5.

Youth, Captamore and The Thrall were other winners.

Babe Left On Doorstep.

A handsome boy baby was left on doorstep at the country home of Ger. W. Anderson, in Montgomery, some time Wednesday morning. The little one was comfortably clothed and wrapped in a basket, and bore the appearance of being well born. The babe is about six months old. Pinned to its clothing was a note which read, "Take care of this babe for a year, and you will receive one thousand dollars." The child was turned over to County Judge Hazelrigg, at Mt. Sterling, and will be sent to an orphan's home at Louisville. Anderson is one of the wealthiest farmers in that county. There is no clue to the babe's parentage.

MARRIAGES.

—Miss Mary Eleanor Hibler and Mr. George Monroe Mansfield were united in marriage at the home of the bride's parents, Mr. and Mrs. Bishop Hibler, on Walker avenue, Wednesday afternoon, at 2 o'clock. President Burriss Jenkins, of Lexington, performed the ceremony in a very impressive manner. The bride's cousin, Miss Annie Hibler, was the maid of honor. Misses Lula Mansfield, sister of the groom, Sallie Daniel and Sadie Ashbrook were the bridesmaids, and were becomingly gowned in Paris muslin, carrying bouquets of white carnations. The full length bridal veil was worn and held in place by a diamond pin, an heirloom presented by her grandmother. The bride is a most excellent young lady and very popular. The groom is one of our most worthy and successful young businessmen.

The happy couple left on the afternoon train for a short trip to Cincinnati and Louisville.

—Mr. and Mrs. Emmett M. Dickson announce the marriage of their daughter, Lizzette Blanton, to Mr. Durand Whipple, of Little Rock, Ark. The wedding will take place some time in October.

—Mr. James M. Watson, of this city, and Miss Agnes Flanagan, of Mayslick, who were married recently in the parsonage parlors of St. Xavier's Church, Cincinnati, by Rev. Van Krevel, S. J., will be at home after May 10th at 1122 Pleasant street, this city.

DEATHS.

—Col. George S. Rosser, the veteran newspaper publisher, of Maysville, died Tuesday afternoon after a long illness, aged 71 years. He was one of the founders and proprietors of the Maysville Weekly and Daily Bulletin. He was never married. He was widely known and very popular. A truer friend never lived than Geo. Rosser, and although he was not a church member, he was a liberal giver to all denominations, always giving in his mother's name. We are sure the world was made better by his noble life. Often we have heard him say the Golden Rule was his religion, and if ever a man lived up to it, Geo. S. Rosser did. Peace to his ashes.

—Theodor Hallam died in the St. Elizabeth Hospital, Covington, Wednesday, after having been in a stupor for three days. The deceased was a prominent lawyer and politician. As a stump speaker he had few if any superior in Kentucky.

—Mrs. A. T. Myers, aged about 45, died at her home near Bethlehem, Tuesday morning. Funeral services were held at the grave in Paris cemetery, Wednesday afternoon, by Rev. Dr. E. H. Rutherford.

All persons owing me will please call and settle. I intend to quit the shoe business and need the money. tf R. Q. THOMSON.

Case May Go to Federal Court.

The attorneys for Caleb Powers tendered to the Circuit Court at Georgetown Wednesday a petition asking that the case be removed to the Federal Court for the Eastern district of Kentucky. The ground on which the petition is based is the alleged impossibility of securing respect for the accused's constitutional rights in the State court. Judge Stout called a special term of the Scott Circuit Court to try the case, beginning July 10. He announced that he would pass on the petition for removal at that time. The attorneys for Powers contend that by the mere fact of the petition being filed in the State court the case is removed into the Federal Court, at least so far as to give the latter tribunal the right to pass on the question of jurisdiction.

Paris, Ky., Friday, May 5, 1905.

The City Council, at a special meeting on Saturday evening, passed two ordinances of great importance to the people of Paris and the future of the city—one providing for the oiling of the streets and the other requiring that all sidewalks hereafter constructed or re-constructed within the city limits shall be made of artificial stone.

People in other cities where the oiling of the streets has been tried have found it an immense relief from the intolerable nuisance of the dust, and there has been a general desire on the part of our citizens to have the experiment tried on the macadam streets of Paris. The Council authorized the advertisement for bids for oiling Main street from Tenth street to the Clintonville pike, a distance of about a mile. It is hoped that while the work is being done the Council will conclude to oil all the macadam streets where travel is heavy.

We believe that for the future of Paris the ordinance requiring that hereafter all pavements laid shall be artificial stone or cement is the most important ordinance that has been passed in many years. Nothing so beautifies a city as good sidewalks and nothing so detracts from its appearance as bad sidewalks. Artificial stone is the pavement of the future. It is easy of construction, easy of repair, last longer and looks better than any other pavement that can be laid. The Council deserves the gratitude of every citizen interested in the future of Paris for passing this ordinance, for, under its operation we may reasonably expect within a few years to have a well paved city and nothing is more important than that.

Now the next thing to be done is to require the reconstruction to make them conform with the new grade of the street. Some of them should be ordered done immediately as they are a constant menace to pedestrians, and the city does not want any damage suits to defend. Many months have elapsed since Main street was paved and these sidewalks should now be ordered relaid wherever necessary.

An exchange says you may damn the Trusts and Corporations as much as you please about other things, but they are doing more for temperance and society than all the Prohibitionists in the country. The manager of St. Louis Traction Company has just notified 4,000 employees that frequenting saloons and race tracks will lose their jobs. This is merely an illustration of what all the large corporations of the country are doing.

"One cent vaudeville" seems to be doing a paying business in New York. The man who originated the idea of "one cent vaudeville," or the phonograph "parlor," in that city, started in a small way about four years ago. He now pays \$85,000 a year rent for his establishments in New York City. The highest price of any amusement he provides is one cent. This is one instance when you can't kick on the price and at the same time the proprietor is fast becoming a millionaire.

One woman agent has sold over 6,000 rubber collars to members of the New York Police department. Here is a case where a rubber-neck is meeting with success selling rubber collars to rubber necks.

At a convention held out West by all the bears, bobcats and other "varmints," resolutions were passed declaring Castro to be a mighty fine man for causing Hunter Roosevelt to hurry back to Washington.

"The sun never sets on the Missouri mule" proudly exclaimed Gov. Folk. No, and very few people who have mistaken the beast for a saddle horse have been able to "set" on it.

When Rojestvenski runs into Togo he will know just exactly the difference between a Japanese gunboat and an English fishing smack, and the word "when" should be emphasized.

At last the meanest man alive has surely been found. He lives in Chicago and took a shot at his wife because the train she was coming home on was fifteen minutes late!

The fastest work ever done by a trotter in this section of the country at this season of the year was done Tuesday at Lexington by Clem Beachy. She carried Mr. Beachy to a bike sulky and stepped the half handily in 1:03½. The work fairly set the clockers dizzy.

Clarence Lebus, of Cynthiana, has 1,300,000 pounds of tobacco on hand, 500,000 of which is his own raising. The past week he bought of Luigi & Perkins, of Harrison, 17,000 pounds at 12 cents; of Goodwin & Lizer, of Bourbon, 16,000 pounds at 10 cents; of Loui Rhel, of Bourbon, 10,000 pounds, at 9 cents.

Boys Will Get More Money.

By a decision of the United States Court of Claims rendered in Washington, Wednesday, the officers and soldiers of the First Kentucky regiment will receive about \$12,000, while about \$5,000 will go to the Second regiment, Spanish War Volunteers. The regiments were represented by Capt. C. C. Calhoun, and under the same decision Tennessee, Louisiana and Indiana soldiers will be benefited.

A Black Cat Causes Trouble.

A black cat created consternation among the choir at the High Street Methodist Church, Lexington, at a practice meeting. The organist pressed the keys and an unusual sound issued from the big instrument that caused the singers to pause. Directly the mewing of a cat was heard and the choir scattered and the practice meeting broken up. Upon investigation a large black cat was found confined in the instrument. It was a mystery how it got there. From the antics of a certain big organ in one of our local churches there must be a nest of black or grey cats confined in it. We would suggest that an exploring tour be made into the Paris organ referred to, for from the sounds that come from it, there must be some kind of a wild animal confined on the inside. It sounds at times like it might be a kicking mule.

Milburn Is Here.

After a few days of "argufying" we suppose the building will be turned over to the county.

SWIFT CHAMP, - EDITOR AND OWNER

FRIDAY, MAY 5, 1905.

Louisville Races.

The spring meeting at Louisville, opening derby day, May 10, has drawn more horses than in former years. Every available stall in and outside the grounds is occupied. All of the big stables in the West are represented, either in whole or part of their strings, it being impossible to provide for all.

The Derby, oldest classic in America, has as almost sure starters Agile, winner of the Tennessee Derby, Ram's Horn, winner of the Montgomery Handicap, beating aged horses with his weight up; Dr. Leggo, the best three-year-old on the coast, winner of the Ascot and California Derbies; Ivan the Terrible, Kurtzman, Braden, Clydeo, Pinkerton, Ed. Sheridan and Freebooter; nineteen others have made the final payment and their owners' expectation are based on improvements over last year's form. In the Kentucky Oaks, twenty-one fillies qualified, with possible starters in Intense, La Londe, Angleta, Druid, Janeta, Lady Goodrich, Mum, Regale, Lady Ellison, Marie Frances and Bashford Belle. The Clark Handicap has continued to hold the same high class horses, the majority of whom are at the track. Steeplechases will be given every other day, the Louisville Steeplechase Stake being among those run.

The railroads have made a special rate of one and one-third fares for the meeting. Quite a delegation will go from here.

Mr. M. P. Thatcher, of Somerset, representing Central University, won State Intercollegiate Oratorical Contest Friday night in the chapel of the State College, at Lexington. Mr. Warren B. Davis, of Nicholasville, representing Kentucky University, won the second place. The judges were Messrs. E. M. Dickson, Paris; W. O. Davis, Versailles, and B. F. Graziani, Covington. Their decision in favor of Mr. Thatcher was unanimous.

In presenting the medal to Mr. Thatcher, Mr. Dickson complimented all the speakers. In fact he said that he rarely had had the opportunity to listen to such magnificent oratory, and "I feel that the fame of Kentucky's orators will not die as long as such brilliant young speakers live to take the places of her illustrious men."

Changed the Date.

Owing to the fact that May 10 will be Derby Day, the date for the meeting of the Democratic State Central Committee called for that time has been changed to May 9 at Frankfort.

The lifeless body of a white man about seventy-five years of age was found Tuesday morning near the Q. & C. railroad at Sadieville, Scott county. The face and body were mutilated and a bullet hole was found in the left breast. It is thought the man must have been murdered and thrown from a train. The body remains unidentified.

Man's Unreasonableness

Is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five [5] physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Oberdorfer, the druggist, price 50c.

ANNOUNCEMENTS.

We are authorized to announce Col. H. P. Thomson as a candidate for State Senator from the 28th district composed of the counties of Bourbon, Clark and Montgomery, subject to the action of the Democratic party.

Hasn't Been Wasted as Predicted.

The taking of Caleb Powers to Georgetown Tuesday for the preliminary steps in his fourth trial caused some inquiry as to how much of the \$100,000 reward fund has been used in all the Powers, Youtsey, Jim and Berry Howard trials for paying the legitimate expenses of detectives and a few distant witnesses. It develops that less than \$10,000 has been used and it is presumed that the greater part of this was paid to detectives to hunt up witnesses, letters and other documentary evidence. The records of the State Auditor's office show that only \$10,000 has been drawn by the Reward Commission and it is known that a part of this \$10,000 is still unexpended, as several hundred dollars is kept in bank to pay the traveling expenses of the Commissioners.

Young Woman Paroled.

The State Prison Commission yesterday paroled Mrs. Nannie Young, of Owsley county, sent to the Frankfort penitentiary last September for house-breaking. Mrs. Young is only 14 years old, but was married twice before her conviction. She will not return to her old home, but has accepted employment in Frankfort. Her identity will be kept a secret. It is understood her offense was a rather technical one at best, and the commission granted the parole on that account and because of her tender years.

Applegate Gets Latonia.

The Court of Appeals overruled the petition for rehearing filed by Judge Perkins against Applegate, and this finally settles in favor of Applegate the controversy over the title to a majority of the stock in the Latonia Racing Association.

The decision is final as to the ownership of the controlling stock of the Latonia Jockey Club, and the Court has, or will, set a day for the transfer of the same. The Court by its action upheld its first action, and in addition overruled the additional claims made by Judge Perkins. It is understood that another action will follow, by which the officials-elected last January will be ousted. Just how this is going to be done has not been explained, and will come into evidence when the attempt is made. It is possible that opening of the track for the Spring meeting may be deferred until May 29, instead of the 27th, as that day conflicts with the last day at Churchill Downs.

A Disastrous Calamity.

It is a disastrous calamity when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs and cure headache, dizziness, colic, constipation, etc. Guaranteed at Oberdorfer's drug store; 25c.

Denied the Writ.

The Court of Appeals denied the writ of prohibition asked by Jailer Boone, of Clark county, to restrain Judge Riddell, of the Breathitt Circuit Court, from punishing him for contempt in refusing to deliver to its bailiff Mose Feltner Sam Fields, inmates of the Clark county jail to be taken to Jackson for trial. The court, however, says it is apparent Boone was acting in good faith, and that as he meant no contempt of the Breathitt Circuit Court he should not be punished.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

"The time-worn injunction, 'Never put off 'til to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!' That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists."

Democrats Organize.

The Democratic nominees have had a meeting and effected an organization for the coming fall election. The meeting was attended by the candidates and workers in the party. A campaign committee was named and there is no doubt that every Democrat in the county will take a hand and make it one of the most vigorous campaigns in years. Everybody seemed to mean business and ready for the fray.

NOTICE. — Dr. Landman, the eye specialist, will be at the Windsor Hotel on Tuesday, May 9th.

HOW TO AVOID GERM DISEASES.

Strengthen the Stomach and Digestion, and You Will
Keep Well.

When there is an epidemic of germ disease, and most diseases are caused by germs, it is the person with a weak stomach who succumbs first.

People with healthy digestion are ordinarily not subject to sickness, and can throw off readily any disease germs that enter the system.

Strengthen the stomach and digestive organs with a Mi-o-na tablet before each meal, and every atom of food taken into the stomach will be digested and assimilated, and the whole digestive system made so healthy, clean and sweet and they will be no chance for disease germs to breed.

If you suffer with pains or distress after eating, headache, belching of gases, sour food, a bad taste in the mouth, dizziness, pains in the heart, specks before the eyes, and a general feeling of despondency and weakness, you should get well at once by strengthening the stomach with Mi-o-na. Just one small tablet out of a fifty cent box before eating, and your digestive system will become so strong that you will be the embodiment for good health and spirits, and need fear no disease germs.

Ask Clarke & Co. to show you the guarantee under which they sell Mi-o-na; it costs nothing unless it cures.
